THE CHAMPION(S)

When it comes to competition, the Cecotto family is never far. It's an understatement to say that Stars.mc was born in the pit-lane. We are fuelled by performance and we thrive for competition.

After **Johnny Senior's** legendary performances on a motorbike and then in Formula 1, and **Johnny Jr's** breathtaking results in Formula 2, it's now the turn of Jonathan, the youngest (for the time being) of the Cecotto family drivers, to take the wheel and prove that excellence runs in their veins.

We are happy and proud to support Jonathan and his team in his effort to drive his way up to success.
